Kick-off meeting

March 6th-7th 2014

Fondation Universitaire - Room A - Egmontstraat 11, 1000 Brussels, Belgium

11.15-13.00 **WP3 Molecular Biomarkers**

- Overview on the whole work - Tobias Pischon - MDC (30 minutes)
- Task description by Charité - Diana Boraschi on behalf of H. D.Volk (15 minutes)
- Task description by CNR - Diana Boraschi (15 minutes)
- Task description by ATLAS - Karsten Heidtke (15 minutes)
- Task description by ID - Marion Michaelis-Kronabel (15 minutes)
- Discussion, tasks allocation and deadlines by the project coordinator (15 minutes)

13.00-14.15 *Lunch at the venue*

14.15-15.40 **WP4 Bioinformatics**

- Overview on the whole work - Reinhard Schneider - UL (30 minutes)
- Task description by UL - Roland Krause (20 minutes)
- Task description by PI - Georg Winterer (20 minutes)
- Discussion, tasks allocation and deadlines by the project coordinator (10 minutes)

15.40-16.00 **WP5 and WP6 Project management, dissemination and exploitation**

- Overview on the non-scientific activities - Michela Renzulli - ALTA
- Discussion, tasks allocation and deadlines by the project coordinator (5 minutes)

15.40-16.15 **WP5 and WP6 Project management , dissemination and exploitation**

- Overview of the non-scientific activities - Michela Renzulli - ALTA (15 minutes)
- Cost-effectiveness and cost-benefit-ratio of biomarker-use and patient stratification: health-economic analyses - Malte Pietzsch and Simon Weber - Cellogic (15 minutes)
- Discussion, tasks allocation and deadlines by the project coordinator (5 minutes)

16.15-16.45 *Coffee break*

16.45-17.15 **Open discussion**

17.15 **Close session and adjourn**
